**Dr Sidra
Consultant Haematologist**

**Dr R Pol
Consultant Haematologist**

Preparing for your visit

The Haematology team have listed some key information to help prepare you for your day case treatment.

Please continue to take your regular prescribed medication unless instructed not to.

Drinks will be provided for you during your treatment. A sandwich will be provided if your treatment runs over lunchtime. Please feel free to bring cold drinks and snacks with you. The hospital restaurant and the Pantry shop are available on site to purchase drinks and snacks.

For your own safety, once your treatment starts, you will be unable to leave the suite and unfortunately, due to limited space within the haematology suite, relatives/carers are unable to stay with patients during treatment.

Please feel free to bring something to pass the time, i.e. books, magazines or personal music devices (must be battery operated).

Please note you will be unable to use your mobile phone while in the suite due to medical devices in use.

While receiving your treatment you will be entitled to free car parking. Please speak to a member of the team to receive a permit.

Hospital transport is only available in exceptional circumstances. Please speak to staff if you have transport difficulties.

Please keep to your given appointment time unless re-arranged with the Department.

The Haematology Suite is open:
Monday and Tuesday 8.00am to 4.30pm,
Wednesday 9.00am to 4.30pm and is located
on Day Ward (on corridor C).

Monday to Friday 9.00am to 5.00pm
Telephone: 01476 464460.
